This is to certify that the design of the item of plant described has been registered pursuant to Regulation 3.4.2 of the Occupational Health Safety and Welfare Regulations 1995 and the National Occupational Health and Safety Standard for Plant.

If this registered design is altered, it must be re-submitted for re-registration within 21 days or this registration will lapse.

The Registered design number must be provided to any manufacturer, importer or supplier of the plant.

The Design Registration Number: SD-20101584-1 must be permanently marked on the plant.

Non compliance with the regulations may incur a penalty.
